## Camas Meadows Women's Retreat

May 13-15, 2011

"Stepping Out of the Box,  
Stepping into Greater Faith"

Mary is an encouraging teacher who helps women understand the truths of scripture and motivates them to live by God's strength.

Having been married for 30 years to her husband Ben, raising four children, and now a grandmother of six (one of whom is in heaven), Mary shares from experience and her love of the Word how God desires us to live by faith and not by sight.
