Camas Meadows Bible Camp is hosting a new spring gaming retreat. This weekend is about connecting with other gamers, with games, and with God. The rustic log-cabin lodge is a comfortable place to learn, teach and play games. Camas Meadows Bible Camp is a non-profit, non-denominational organization located in the beautiful Cascade Mountains.

What we'll be doing:

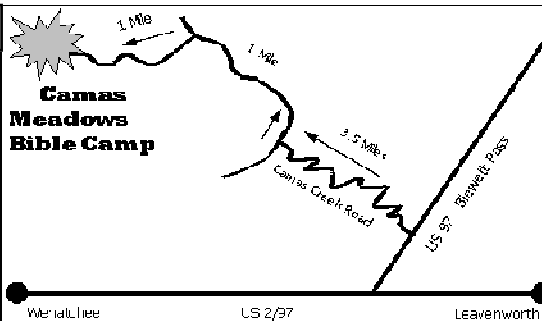

- Playing games. Lots of games.
- Teaching and learning new games.
- Chapel sessions with a guest speaker.
- Race for the Galaxy Tournament (you can win a copy of the latest expansion!).
- GameSwap—There will be a game trading/purchasing table, so bring a wishlist and any games you would like to trade away!
- Recreation—depending on the weather, some outdoor recreational activities such as hiking and paintball will be available.

No Monopoly, Life or Candyland!
