

CMBC Staff Application Checklist

Application Due May 1, 2019

- Please complete in its entirety **The Application**. We use this document to get to know who you are and understand where you are at in your faith. We ask that you be honest and transparent while answering each question. This application will be kept confidential. - Bible Study – Understanding and applying the Bible to your life and ministry is an essential part of being a Christian camp counselor. This portion requires you to interact with the word of God. Ask the Holy Spirit to lead you in truth as you study the Bible. This should be a challenge and a blessing to you. We hope that through it you will learn more about yourself and God and grow closer to Him. This is a section of **The Application**.
 - **Returning staff:** Do a study of the book of Philippians and answer these questions.
 - Observation – What does it say? Read this short book several times and record your observations.
 - Interpretation – What does it mean? Tell in your own words what you think God is trying to communicate through this book.
 - Application – What does it mean to me? Describe how this book affects your life and particularly how it applies to counseling at camp.
 - **First Year Staff:** Do a study of Camas' Statement of Faith, (it can be downloaded from the camp website) and follow these instructions:
 - For **each** point in the statement of faith, look up at least 3 scriptures that support that belief. Some points may require more scriptures since they have multiple parts.
