Understanding the Heavenly Father's Love
Speaker: Robin Chukitus***

Robin and her husband Drew have been serving in full-time ministry for over 30 years since starting as house-parents at the Alpine Boys Ranch in Plain, WA. In addition, Robin has been a mom to four foster boys, worked with women experiencing crisis pregnancies, has served as a Celebrate Recovery leader helping women and teens find wholeness.

She takes great joy in sharing how God has helped her find healing over an abusive childhood, infertility, abandonment, and fear, through knowing His deep love for her.

By a series of God appointments, Robin has been learning about living in the Father's affection, and looks forward to sharing with you.

Robin also enjoys working as a Real Estate Broker, is a proud mother of their son, a US Marine and has recently celebrated their 40th wedding anniversary with her husband, Drew.
